

CERTIFICATE OF SACRED SPACE

This certificate is awarded to

District Dive

by the members of The Orlando Sisters of Perpetual Indulgence, in grateful recognition of your service to our community as a place of joy and respite. Within the poster-covered walls of this bar, our community has been met with hospitality, stiff drinks, the smell of popcorn, the joy of a friendly game of darts or pool, and a comfortable atmosphere where one is safe to be one's self.

Even more notably, the profound generosity of its owners and staff continue to help civic causes and charitable organizations in the Central Florida community!

WE HEREBY BLESS THIS GROUND
AND DESIGNATE IT
SACRED SPACE!
