

This **Certificate of Sainthood** is proudly presented to Chantel Reshae by the members of The Orlando Sisters of Perpetual Indulgence in recognition of your outstanding dedication, selfless contributions, and unwavering commitment to making a positive difference in our community. Over the years, you have shown love through various events associated with our Order. You bring joy into the lives of the Orlando community through your Bingo. You provide a safe place for everyone to have a fun time. Your humor uplifts our community in more ways than you realize. In the end, everyone leaves your Bingo as a winner because of how wonderful you make each person feel. From this day, Wednesday, June 17, 2026, forward, we hereby recognise and canonize thee,
