

## CERTIFICATE OF SACRED SPACE

This certificate is awarded to the

*Zebra Coalition for Youth*

by the members of The Orlando Sisters of Perpetual Indulgence, in joyful recognition of your service to the youth in our community, and as a place of safety, comfort and joy. Within the walls of this cozy house, youth of every stripe, have been met with a safe space to drop-in, relax, heal, and - most importantly - be themselves.

By linking together countless services from across our fair city, Zebra Coalition has created a safety net for young people navigating a world that can sometimes be adverse and cruel, letting them know they are not alone.

Like the ripples on a pond, the transformation of countless lives here, within these walls, reverberates outward into our community, gives hope for a better future, and helps to make Orlando - truly - The City Beautiful!

WE HEREBY BLESS THIS GROUND  
AND DESIGNATE IT  
SACRED SPACE!
